HEY BABE, LETS SKIP THIS PLOT STUFF AND GET ON WITH THE ACTION!
I DON'T KNOW... IT DOESN'T SEEM RIGHT...
DO YOU THINK ANYBODY IS INTERESTED IN PLOTS ANYMORE?
I MEAN, WHO NEEDS A PLOT WHEN THEY CAN HAVE SEX!
TUG! TUG!
END '93

*Hi! Welcome to the ninth issue of AR. The last issue did very well, so we're going to continue in this larger format for a while, anyway. On the personal front, my thanks to everyone who came by, called or wrote to comfort me in my, ah, damaged state (a static ulcer, massive hernia, and the onset of diabeties, all within a short time. 93 was **not** my year!). To all those obligations I am now in the process of catching up to, I beg your forgiveness, and thanks for the patience. Boy, do I gotta hustle....!*
